"Sharing God's message of hope in action"

THE FIRST CLASSES & THE FIRST HOUSE FROM THE VTC in Lima, Peru *by Brian Weller*

Peru Coordinator - Marco Aroni, VTC Teacher - Chuck Moore, Mike Goreski and I during the opening day of the VTC.

Words can't express what a wonderful experience it was being there for the opening classes of the Vocational Training Center in Lomas de Carabayllo in Lima, Peru. There were years of praying, planning, waiting and trusting until it all came together in God's time. Thanks for helping to make this happen through your prayers and support of this ministry.

As someone once said "a picture is worth a thousand words". So

as this year closes out, we're going to let the pictures tell the story.

NEW CHILDREN'S FEEDING CENTER in 6th de Abril - Lima, Peru

We're blessed to announce that this January we'll begin support of our 10th Feeding Center in Peru. This new center is in an area of Pachacutec called the 6th de Abril. It was started by Pastor Carlos and Veronica a few months ago and we'll step in to help them in their work there. This is a very poor area and the needs are great.

We praise God for this new opportunity and are trusting Him to be Jehovah Jireh for the beautiful children and families there. Please continue to pray for us as we take another step of faith.

The CHRISTMAS BLESSING PROJECT Celebrating God's Goodness

Cristo es el Camino Church in Valle Verde - Lima, Peru

Here are a few pictures of the Peru Christmas Blessing Project, that just come in. We'll be posting more pictures soon at facebook.com/messageministries. This year, because of your generosity we were able to give funding for gifts to most of the churches and feeding centers we work with in Peru. They in turn passed on your gifts to the children in the name of the Lord.

We're praying God blesses you and your family as you celebrate His wonderful gift of salvation through Jesus Christ!
