## MYANMAR FLOOD RELIEF

Special thanks to our generous supporters who made it possible for us to send help to the flood victims in Myanmar, where we support Pastor Jayae full time as an indigenous missionary and pastor. Pastor Jayae and David S. visited the

Chief of the village of Wanlon and the Chief selected the most needy families from amongst the Shan people affected by the floods. They gave them some much needed help at this terrible time and Pastor Jayae and Abel shared the gospel with the people as they gave your gifts in the name of the Lord Jesus. Thank you for your help!

## CAMBODIA JAMES SANN MOTORCYCLE

James now has the motorcycle he has been praying for, which will help him reach more people with the Gospel. Last month, I was putting together a video to ask for help with this need. In the middle of that process, I ran into some dear friends of the ministry at a local restaurant. They asked how

much we needed to purchase the motorcycle. I said "We need \$2,000", and they said they would give it. By the time I returned to our office they had already donated it online! **We are so thankful for generous people who help us reach out to people and countries in need.** James is a Cambodian reaching his own people with the gospel and we are honored help SEND him OUT!

## ASIA & AFRICA PRAY FOR JIM RANDALL

**We were blessed to have Jim Randall visit our home in Florida for a few days.** Before arriving in Florida, Jim spent a month ministering in Nigeria training Christian leaders and helping them to hear the call to GO to other nations. At 69 years old Jim is still dedicated to GO, teach and train others until the Lord calls him home. **We are Jim's missions sending agency and welcome your support on his behalf.** He is back in Thailand doing what he does best - serving the Lord and training others to know God and to make Him known! **Please pray for him, he truly needs our support and our prayers. Thank you!**

## PERU PREFAB CHURCH BUILDING

Pastor Jose & Amanda Amaya and their team from the "Cristo es el Camino" church in Valle Verde, Peru raised their own funds in Peru so they could GO to the northern part of Peru to minister the gospel of Jesus. The team went to Chulcano where they

ministered to children, gave gifts, did an eyeglass clinic outreach, an evangelistic outreach and built this prefab church! **Our part was to provide the funds for the eyeglasses and for the prefab materials. Thank you for your help!**

## PERU VOCATIONAL TRAINING CENTER

Marcos Zuniga Venegas leads the Able Hands VTC in Angamos, Peru. He amazes us with his passion for the Lord and for people. The picture above is

of the new group of students who signed up to study electrical, carpentry, melamine and more at the Manos Habiles Centro Vocacional. **We support him and the center on a monthly basis, and are always blessed to see what God does through the training.** Please pray for Marcos Venegas and the students as the new set of classes begins.

## 10/40 WINDOW PLEASE PRAY

**Please continue to pray for us as we take steps of faith to reach into the 10/40 window.** Last week we were down to \$1,300 in our ministry bank account. The Lord clearly instructed us to send \$1,000 of that to the orphanage in Laos and the indigenous missionaries that we support there. His words were clear: "They need it now." We sent it and began to trust the Lord for other needs. A few days later a check came in the mail for \$3,000 from one of our donors, who was clearly hearing from the Lord. Gloria a Dios! **Please pray and trust the Lord with us as we dedicate ourselves to walk by faith and not by sight to do our part in fulfilling the Great Commission!**
